Comment:

1. Most of the shipments were probably connected with the previously reported transfers of air force units within the Soviet Zone of Germany. The individual shipments are commented upon as follows:

a. FINSTERWALDE-FALKENSEE: Transfer of the FINSTERWALDE ground attack headquarters, previously stationed in FINSTERWALDE, to FALKENSEE.

b. GROSSENHAHN-JUETERBOG: Possibly transfer of a ground attack regiment from GROSSENHAHN to JUETERBOG-ALTES LAGER (not confirmed).

c. COTTBUS-JUETERBOG: Transfer of the ground attack units from COTTBUS to SOLOENWALDE.

COTTBUS-SOLOENWALDE: " " " "

COTTBUS-POSDAM: " " " "

d. ORANIENBURG-COTTBUS: Transfer of the ORANIENBURG bomber regiment to COTTBUS.

2. It cannot be stated whether the other shipments are also connected with the transfers of air force units. They possibly were supply and replacement shipments.

3. The following shipments presumably were not air force shipments:
